

# Cooking Measuring Chart

**Hoop:** 130mm x 180mm

**Stitches:** 14,507

**Colors:** 19

**Width:** 116.7mm

**Length:** 179.9mm

## *Items needed:*

### **Fabric:**

1 Piece **5½ x 8** inches Back

1 Piece **2 x 5** inches - Front

1 Piece **5½ x 6¾** inches - Front

### **Quilt Batting:**

1 Piece **5 x 7½** inches

**Wash-away Stabilizer:** Large enough to hoop in the 130mm x 180mm hoop

**Cord or Ribbon:** **12 to 15** inches

**Tape or Glue:** Used for holding Fabric and Ribbon or Cord in place.

### **Embroidery Thread:**

The thread colors depend on the color of fabric you use. You do not have to change the thread **19** times.

Color changes are to prompt your sewing machine to stop after each step.

## *Hoop the Stabilizer*

1  Sew the placement stitch. Lay the **5 x 7½** inch piece of Batting over the stitching.

2   
**Trim.**

around the lid.

Sew the satin stitch

Remove the design from the hoop. **Trim** the stabilizer close to the stitches. Wet your finger and rub along the edges to remove the excess Wash-away stabilizer.

**If you make it too wet, the stabilizer will cause the fabric to pucker. If that happens you will have to soak or wash it to remove it all.**
